

We are now accepting GSI applications for Summer Session 2011.

All courses are 8-week session (Session C: June 20-August 12) except IB 117L Medical Ethnobotany and IB 128 Sports Medicine, which is a 6-week session (Session A: May 23-July 1).

Number of GSI positions projected for Summer 2011:

SESSION A (May 23-July 1):

1 GSI - IB 128, Sports Medicine (taught by Ed McLaughlin, mclaugh@berkeley.edu)

4 GSIs - IB 117L, Medical Ethnobotany (taught by Tom Carlson, tcarlson@berkeley.edu)

SESSION C (June 20-August 12):

7-8 GSIs - Bio 1B, General Biology (taught by Alan Shabel, shabel@berkeley.edu). You must have been a GSI for Bio 1B at Berkeley to be eligible to GSI for Bio IB in the summer.

3 GSIs - IB 131L, General Human Anatomy (taught by TBA)

3 GSIs - IB 132L, Mammalian Physiology (taught by Tami Mau, tmau@berkeley.edu)

Submit application by April 15, 2011 to be considered in the first round to Mei Griebenow (299 LSA; ibgradsao@berkeley.edu)
