

IB 99/199 RESEARCH

Department of Integrative Biology Application for IB 99/199 Supervised Undergraduate Research

IB 99/199: Supervised Undergraduate Research is intended for undergraduates involved in a research lab.

INSTRUCTIONS: Complete application and **research summary**, then return to IB Advising Office (3060 VLSB). You will receive your CCN by email in 1-2 days. **CCN's will not be distributed to students who do not have all the proper signatures and who do not have a summary completed.** The deadline to turn in this form and enroll in research is Wednesday of the 4th week of classes. Late add fees may apply.

CREDIT: The course is graded Pass/Not Pass. The student may earn 1-4 units of credit (1 unit = 3 hours/wk). Credit for IB 99/199 may not be applied towards IB upper division elective units. The student may repeat this course, but no more than 16 units of 98, 99, 197, 198, or 199 credit may be applied to the degree. No more than 4 units of 98, 99, 197, 198, and 199 credit may be earned in one term.

ELIGIBILITY for IB 99:

- ⇒ Have fewer than 60 units (including AP credit)
- ⇒ Have at least a **3.4 GPA** overall

ELIGIBILITY for IB 199:

- ⇒ Have at least 60 units (including AP credit)
- ⇒ Have at least a **2.0 GPA** overall

SPONSORSHIP of IB 99/199: The IB 99/199 courses must be sponsored by an IB faculty member, but the research may be in any biology lab.
