All declared IB majors require an Advisor Code to access TeleBEARS (<http://telebears.berkeley.edu>) **PLEASE READ & fill out this form completely in order to obtain code.** Advisor Codes are given out *in person* (only via e-mail if student is abroad). See Gwen or Nancy in 2033 VLSB to obtain your next semester's code.

The **Schedule of Classes** and the **Office of the Registrar's websites** will be critical to managing your courses in Fall 2008. See <http://schedule.berkeley.edu>, & be sure to check the 2008-2009 "Student Calendar" at: <http://registrar.berkeley.edu>

**TIPS TO SAVE YOU TIME & MONEY:** The deadline to add, drop or change your grading option is the 5<sup>th</sup> week of classes (Friday, Sept. 26 for Fall 2008). **Please, DO NOT** assume an instructor/GSI will ADD or DROP you from a course. Maintain attendance & participation in all courses you plan to complete; speak with the instructor if you are waitlisted. As of Fall '05, you may drop yourself from WLs at no cost. REMEMBER, a drop fee (\$10.00) is assessed for each course you drop after the **second** week of instruction; \$5.00 is assessed for each course you add after **week 3**. Check your schedule (We mean it!!) on BearFacts every other week -- no kidding!! **Be sure** to manage your enrollments carefully -- for your peace of mind, & to ease enrollment worries for other students. Thanks!

Will you be attending Summer School 2008? Here/elsewhere? \_\_\_\_\_

Have you completed a DEGREE CHECK with L&S? (try DARS!) \_\_\_\_\_ with this MAJOR? \_\_\_\_\_. *Regrettably, DARS is not reporting IB requirements accurately. For permission to undertake < 13 units, you must have L&S approval; go to 113 Campbell Hall. UCB students may NOT enroll elsewhere at the same time they are @ Cal, except in summer. Q's? Consult 113 Campbell Hall, or visit: <http://Ls-advise.berkeley.edu>
