

## Department of Integrative Biology Application for IB H196B: Integrative Biology Honors Program

**IB H196B: The Integrative Biology Honors Program** is intended for advanced undergraduates wishing to receive honors credit for independent research projects under the mentorship of a UCB faculty member. To apply for IB H196B, the research project must be rigorous and H196A must have been completed.

**INSTRUCTIONS:** Complete application and an updated project summary then submit them to the IB Undergraduate Student Services Office (USSO, 3060 VLSB). A CCN will be sent via email. *The deadline is the Friday of the 4<sup>th</sup> week of classes.*

**CREDIT:** This is a 3-unit, letter-graded course, and assumes an average of 9 hours of work/week. To receive honors, a thesis must be submitted to the P.I. and faculty sponsor at the end of the semester, and the student must participate in the Cal Day poster session. Only three units of honors credit (H196A or H196B) may be applied towards elective credit for the IB major.

**ELIGIBILITY:**

- Be a **declared** IB major
- Have at least a **3.3 GPA** overall **and** in the IB major
- Have completed IB H196A

**SPONSORSHIP of IB H196B:** The IB H196B course must be sponsored by a UCB faculty member, though the research may be in any biology lab.
